

Radiation Control Program

Radiation Producing Machine Transfer or Disposal Request

Failure to fill out this form completely and accurately may result in the denial of the termination request. The registrant will be responsible for the continued registration of the machine and all applicable registration fees.

NAC 459.166 requires notification within 15 days of disposal.

A copy of the completed invoice from a certified installation or service company documenting a machine physical location change, de-installation, disassembly or service of the machine must accompany this request.

REGISTRANT			NEVADA REG. NO.	
STREET ADDRESS		CITY	STATE	ZIP CODE
TELEPHONE NUMBER	FAX NUMBER	E-MAIL ADDRESS		

- If the machine is transferred or sold, the seller must provide all requested information on this form in regards to the machine's new owner and/or professional installation company, location and contact information.
- If moving a machine from one use facility to another, you must complete this form, and fill out a new Radiation Producing Machine Registration form, as it is considered a new registration.
- If storing the machine, please fill out the Radiation Producing Machine Storage Request Form.
